**Custom Pole Banners Options**

**Grommets**  
 Provide a convenient method for hanging or attaching vinyl signs or display panels. The distributed weight also helps to keep the vinyl signs from sagging. These horizontal edges are typically used to reinforce the sides of vinyl banners, helping maintain the banner's shape and prevent stretching. This is particularly helpful when grommets are used on vinyl signs.

**Pole Pockets**  
 Pole Pockets allow for vinyl poles or stands to be inserted along the edges of Custom Pole Banners. This allows for a more even distribution of a banner's weight to prevent sagging. Opposing pole pockets can also be used to make the banner more rigid.

**Stitch**  
 If you choose this option, we will cut small half-circles into your Custom Pole Banners. This makes it perfect for Custom Pole Banners. As it helps to prevent tearing and ripping.

**Custom Pole Banners Durability and Life**

The life of a banner depends on how it is being used, stored, and taken care of. The more you use and the better they will wear out. Although, typically banners last for anywhere between 1-3 years. The more Custom Pole Banners can serve your business in 5-10 years or the last 1-2 years, depending on the weather conditions and the quality. The more we use, the more quickly they will wear out. The more we use, the more quickly they will wear out. The more we use, the more quickly they will wear out.

It is not difficult to maintain a banner and it is not that maintenance really deteriorates the lifespan of vinyl signs. If you are planning to reuse your Custom Pole Banners outdoors, you will have to get an extra durable 18-ounce vinyl, and adding this to the design, if your vinyl banners will be placed against a stone, or hung freely in the air, where it can be blown around. You can consider ordering reinforced corners with your banner if you are planning to reuse grommets to hang your banner, as the reinforced corners will ensure extra support to the corners of your banner, and prevent ripping. When storing your banner for later use, we recommend that you roll it and keep it away from heat and extreme heat, or exposed to humidity. If the banner is rolled as opposed to folded, you are preventing the banner from creasing.

Though, if the banner is too large, and it is easier to fold over the roll, just break out the mats, the one always get off creases when hanging or laying the banner flat, and applying high heat to the Custom Pole Banners, but not too close. If you have any additional questions on how to take proper care of your banner and vinyl banners to ensure a longer lifespan, don't hesitate to call or email us. We will be happy to assist you!
