Custom 18 oz Premium Banners Options
Dimensions
 Provide a convenient method for hanging or attaching vinyl signs or regular posts. This distributes the weight and helps to keep the vinyl signs from sagging. These finished edges help to install the banner in a more professional-looking way. This is particularly helpful when products are used on vinyl signs.

Pole Pockets
 Pole Pockets allow for rigid poles or dowels to be inserted along the edges of Custom 18 oz Premium Banners. This allows for a more even distribution of a banner's weight to prevent sagging. Opposite pole pockets can also be used to make the banner more rigid.

If you choose this option, we will cut small lead circles into your Custom 18 oz Premium Banners. This banner is perfect for Custom 18 oz Premium Banners, as it helps to prevent sagging.

Custom 18 oz Premium Banners Durability and Life
 The life of a banner really depends on how it is being used, stored, and taken care of. The more you use it, the faster they will wear out. Although, typically banners last for anywhere between 4-8 years. The most Custom 18 oz Premium Banners can serve your business in 3-10 years or the last 10 years. Outdoor, if you need banners in a long-term display, you can use the most durable material for the longest. They will wear out more quickly than if used occasionally, or if used indoors. It is not difficult to measure a banner and store it, but the maintenance really determines the life of vinyl banners.

If you are planning to make your own banner, you should know that you are not getting an extra durable 18-ounce vinyl, but you are getting a standard 12-ounce vinyl. The finished product will be glued around the edges, or being hung in the air, where it can be blown around. You can consider ordering reinforced corners along with your banner if you are planning to make your own banner. The reinforced corners will ensure each sign is in the center of your banner and prevent rips. When storing your banner for later use, we recommend that you roll it up and store it away from heat and moisture. As opposed to folding it. When the banner is rolled as opposed to folded, you are preventing the banner from creasing.

Though, if the banner is too large, and it is easier to fold over the roll, each corner will be flat. You can always get all corners when hanging or laying the banner flat, and applying light heat to the Blank Banners, but not too close. If you have any additional questions on how to take proper care of your banner and vinyl banners to ensure a longer lifespan, don't hesitate to call or email us. We will be happy to assist you!
