## Product Details

### Opaque Window Signs

Opaque Window Signs is an adhesive-backed, perforated synthetic substrate with full-color printing on Solvent large format printers. You can maximize the window space at your facility with window graphics. Opaque Window signs are a glass friendly way to visually enhance the blank and empty space created by windows and doors. Use window graphics to welcome fans to your facility on exterior doors, ticketing windows, interior glass, and more. Transform your storefront or promote specific products and promotions with retail window graphics.

### Use Areas of Perforated Window Signs

Typical use areas of Opaque Window Signs are vehicle windows and storefront windows for advertising purposes. It can be applied to any other flat surface. This product is among the most preferred window signs for various types of businesses.
