Product Details

Zip Ties For Banners

Zip Ties are the affordable and preferable method to hang your vinyl banner outdoors at the metal posts or chain link fence. Made out of durable plastic material it is very easy to install. Simply loop the zips through the grommets on the banner and secure it tightly on the desired surface.

Tips: Always start installing your banner from the upper corner and follow the coinciding bottom corner. Choose the calm weather day for installation in order not to rush and achieve the perfect result. Comes in black and white color.
