Custom 13 oz Banners Options

Grommets
Provide a convenient method for hanging or attaching vinyl signs or display panels. This distributes the weight and helps to keep the vinyl signs from sagging. Heavy reinforced edges are typically used to reinforce the sides of vinyl banners, helping maintain the banner's shape and prevent stretching. This is particularly helpful when grommets are used on vinyl signs.

Pole Pockets

Pole Pockets allow for vinyl signs or banners to be installed along the edges of Custom 13 oz Banners. This allows for a more even distribution of a banner's weight to prevent sagging. Opposing pole pockets can also be used to make the banners more rigid.

SMS

When choosing this option, we will cut small half-circles into your Custom 13 oz Banners. This makes it possible for Custom 13 oz Banners, as it helps to prevent twisting and sagging.

Custom 13 oz Banners Shipping

Client enjoy free shipping if their total purchase exceed \$99 in value. Another great deal is the free carry bags offered for any vinyl banner purchased from the company.

Custom 13 oz Banners Durability and Life

The life of a banner really depends on how it is being used, stored, and taken care of. The most vinyl signs are used for anywhere between 1-3 years. The most Custom 13 oz Banners last for anywhere between 1-3 years. Although typically banners last for anywhere between 1-3 years, they can last up to 10 years. Notably, if the vinyl banners are being used outdoors 24/7, that is the weather conditions and the sunlight, they will wear out more quickly than if they are used indoors. It is not difficult to maintain a banner and store it, but the maintenance really determines the lifespan of vinyl signs. If you are planning to mount your 13 oz Banners outdoors, you are better off getting an extra durable 18 oz vinyl sign, and adding tabs to the design. If your vinyl banners will be placed against a fence or hung from a pole, then it can be an even better idea. The tab material is made of reinforced corners along with your banner if you are planning to order grommets to keep your banner, or the reinforced corners will ensure extra support to the corners of your banner, and prevent tearing. When string your banner for later use, we recommend that you roll it and keep it away from that end and bottom edge, as opposed to holding it. When the banner is rolled as opposed to folded, you are preventing the banner from creasing.

Custom 13 oz Banners are Printed to last for years ahead!

Our indoor or outdoor business banners are a great return on investment because they can last for up to 10 years. These banners are high quality in terms of a number of different elements over a period of time. If you already had your banner based on your terms, then it will last for a longer time. If you are planning to advertise your banner for outdoor advertising, get for a semi-gloss lamination. Otherwise indoor signs are preferably better with a matte finish. The lamination will increase the number of years your banner will last. Furthermore, to make your outdoor banner advertising available, we offer display customer support. It doesn't end there!
